

BS5722

Specification for flammability performance of fabrics used in nightwear garments.

Fabric complies to BS5722 – covers UK, NI and EU countries. Excluding Ireland and Holland. Excluding USA.

The test means these fabrics can be used for loose flowing nightclothes for children, accompanied by the relevant labelling.

The test covers the fabric only, any attachments, trimmings or decorations are not covered by this test.

The logo for CONTRADO features a grey circle with a white triangle pointing upwards. A black horizontal bar is superimposed across the middle of the circle, with the word "CONTRADO" written in white, bold, uppercase letters on the bar.
